Scottsdale Insurance Company
Scottsdale, Arizona

TO WHOM IT MAY CONCERN:

I have worked with Peter Downey over the past 15 years, relating to insurance matters and for my customers who have had employment-related practices issues. His expertise relating to employment-related practices and other professional liability litigation is impressive. He is a young, dynamic and skillful litigator and presents himself in an extremely professional manner.

I would insist that my errors and omissions insurer retain Peter's services should there ever be a claim filed against my agency. I highly recommend Peter Downey and his firm to represent Scottsdale as his knowledge and experience in professional liability would benefit the company immensely.

Sincerely,
