To Whom It May Concern;

Our insurance carrier provided the law firm of Downey, Day for defense of an employment claim. Although we were hesitant to use a law firm unfamiliar with our business and practices, after speaking with Peter Downey, our concerns were quickly resolved.

Mr. Downey interviewed our management and staff, swiftly grasped the issues at hand and made certain he understood our company's culture. He filed all the necessary paperwork in a timely and efficient manner, allowing our management to concentrate on more productive matters.

Mr. Downey's aggressive and efficient work appears to have culminated in the rapid disposition of the meritless claim which, of course, pleases us.

Sincerely,

Jodi Graffan
